

YOKX

Funky house · Tech house · Melodic techno

Based in Porto. Available across Europe & internationally.

BIOGRAPHY

YokXX is a French DJ and producer based in Porto, moving between funky house, tech house and melodic techno. Three years of resident sets across Portugal, Italy, France and Mexico shaped a direct and adaptable approach to the dancefloor: read the room, build the energy and keep the selection coherent.

TECHNICAL RIDER

Two configurations, depending on the venue. Final requirements are agreed for each booking.

A - Venue equipment

- 2 × Pioneer CDJ-2000NXS2 / CDJ-3000, or XDJ equivalent
- 1 × DJM mixer, 750/900 series or equivalent
- 1 × booth monitor
- Stable booth or table and 1 power outlet

B - Artist setup

- YokXX brings a controller and laptop
- Venue: sound system with an available XLR or RCA line input
- Venue: 1 power outlet and a stable table, approximately 1 m wide
- A full sound package can be quoted where needed
